Our lodges have family-oriented guest rooms; each with a private bath, a Queen or King bed and one or two bunk beds, some have a lake view. The lodges also have a large common area kitchen as well as dining area and great room for meetings.

## COTTAGES

Gull Lake Ministries has comfortable and cozy cottages, each with two to six overnight rooms, that make great "homes away from home." Free-standing and private, most cottages have kitchen facilities, living and dining areas, and full baths. They are ideal for a long weekend stay or a full week of rest and relaxation!
